

Orvion IntelliAct Automation Pvt. Ltd.

Quality Policy

At **Orvion IntelliAct Automation Private Limited**, we are committed to delivering high-quality Automation and Engineering solutions that meet or exceed customer expectations, comply with regulatory requirements, and contribute to operational excellence.

Our goal is to provide Innovative, Reliable, Sustainable, and Efficient Automation Solutions, which include Design, Engineering, Testing, Site implementation, and Project Management. And to provide detailed engineering services, System integration, Warranty Management, and Project management that enhance our clients' productivity and performance.

We are dedicated to:

- Understanding and fulfilling the unique technical and business needs of each client.
- Maintaining a robust Quality Management System aligned with ISO 9001:2015.
- Continuously improving our processes, tools, and technologies to stay ahead in a rapidly evolving industry.
- Empowering our team through ongoing training, safety, and skill development.
- Delivering projects on time, within budget, and to the highest quality standards.

This Quality Policy provides the framework for setting and reviewing quality objectives and is communicated to all employees and stakeholders. It is reviewed periodically to ensure continued relevance and effectiveness.
